Camper Information and Policies

**Please review information and rules before submitting an application.
REGISTRATION MUST BE RECEIVED BY May 31st**

ATTENTION - Handi-Camp is now GRACE Week! GRACE is an acronym that stands for **God Revealing Abilities Courageously Every day.**

Campers, mark your calendar for another great time of summer fun at Wonder Valley. We at GRACE Week are preparing to blast off into outer space for Mars and Beyond! Let's explore where God's power can take us!

GRACE Week is open to individuals of all ages with various physical and mental disabilities. GRACE Week provides individuals with disabilities the opportunity to experience Jesus and learn more about His Word in a fun summer camp environment. Campers will participate in daily Bible lessons, memory verses, recreational activities, songs, crafts, fun, and fellowship with old and new camp friends alike.

GRACE Week faculty is made up of volunteers from all walks of life, ages 13 through adulthood. Faculty receive basic training to provide for the safety, security and enjoyment of campers during each GRACE Week session. Sessions are limited to the number of campers that can be served in a safe and efficient manner. Any camper determined to represent a significant health, safety, security, or behavior risk to themselves or others will be required to leave the GRACE Week session early. The parent, guardian, or caregiver will be contacted to arrange for early departure transportation.

Due to the demand for this opportunity, GRACE Week will be two identical sessions, allowing the campers to choose which session they would like to attend. Campers are to fill out a registration form. Registrations should be received by May 31st. This will ensure that campers are notified by mail in a timely manner of session assignment or placement on a waiting list. Registrations received after the May 31st deadline will not be reviewed until registrations meeting the deadline have been placed.
